

**All About Puppies**

Contract and Guarantee for a puppy that the cost was \$500.00 or more

Buyer \_\_\_\_\_

(Buyer's name, address, and phone number)

The buyer agrees to purchase from the seller the following puppy:

Breed \_\_\_\_\_ D.O.B. \_\_\_\_\_ Sex \_\_\_\_\_

Color \_\_\_\_\_ Registration # \_\_\_\_\_ Amount of Sale: \$ \_\_\_\_\_

Tax: \_\_\_\_\_

Total \$ \_\_\_\_\_

Parents name \_\_\_\_\_

Buyer understands that a non-refundable deposit of \$ \_\_\_\_\_ will be due in order to hold the puppy until he/she is ready to go home \_\_\_\_\_. Balance must be made in full in cash or paypal before the buyer may take ownership of said puppy.

Buyer is aware that said puppy is being sold only as a PET. The breeder (seller) cannot guarantee adult size or weight. The breeder (seller) guarantee does not cover ears that may not stand, retained testicles, or over/under bites. The said dog is being purchased as a PET and not a show dog or breeding dog.

\_\_\_\_\_

The breeder (seller) certifies that said puppy is in good health and has been immunized and dewormed as stated on the accompanying health record. The buyer agrees to have the said puppy examined by a DVM within three days of the purchase date above. If the DVM finds the said puppy healthy the breeder (seller) will no longer assume responsibility for the health or any DVM bills of the said puppy. Breeder must receive a copy of the DVM visit within 1 week of receiving the puppy or the guarantee is null and void. \_\_\_\_\_

The breeder (seller) is not responsible for contagious diseases diagnosed after the required DVM examination of three days from the purchase date. Heat related illnesses, ear infections, eye infections, cherry eye, coccidiosis, giardia, hypoglycemia, worms is also not recovered. If you buy a puppy with a umbilical or inguinal hernia the cost of fixing this is at buyers expense. Your puppy is not fully protected until it has had its third vaccine, so no dog parks, road side rest and hold your new puppy at your DVM other dogs maybe there because they are sick.

\_\_\_\_\_

Up to the age of 1 year, a replacement puppy will be given upon the first available litter. The return of the defective puppy will be REQUIRED, along with the registration papers, letter from buyers DVM about the problem with in 1 week at buyers expense. To qualify for a replacement puppy please notify the breeder (seller) of the situation immediately. In all cases the breeder (seller) reserves the right to have the puppy examined by their DVM at the buyers expense. If the buyer requests a replacement puppy under this agreement and the preferred DVM finds that the defect is NOT genetic, caused by an unrelated trauma, stress, neglect abuse, or any NON inherited factor, this guarantee is null and void without effect and will NOT be honored by the breeder (seller). Buyer will be responsible for any shipping cost \_\_\_\_\_

To be covered by this guarantee the said puppy must be owned by the person who originally purchased the said puppy from the breeder (seller). The said puppy must have all times received proper nutrition, current vaccinations, regular worming including heart worm prevention, and yearly veterinarian visits that can be proven. Feed Purina Pro Plan Lamb & Rice All Life Stages Dog Food must have been feed, Revolution for heart guard and fleas and also given NuVet Plus vitamins. The puppy must be raised in a healthy living environment and proper exercise.

\_\_\_\_\_

If court action is initiated for any reason, it is to take place in the county of the breeder and the buyer is responsible for any and all attorney fees, court cost and other expenses that occurred for the breeder and buyer.

By signing and initialing this contract, the buyer is aware and agrees to uphold the terms and conditions herein.
